## REPORTS OF BOARDS AND COMMITTEES.

---

### REPORT OF SUNDAY SCHOOL COMMITTEE.

Dear Fathers and Brethren:

We, your Sunday School Board, beg to submit the following report: First—We are glad to report a heavy increase in the circulation of our Sunday School periodicals. Teacher's training and study circles are coming now more into evidence.

Second—We are glad to see an improvement in methods of Sunday School work. No small part of which we believe is due to the fact that a wide-awake secretary has been in the field during the year, holding institutes and otherwise instructing and suggesting improved methods.

We are sorry that circumstances compel us to abandon this forward movement. We heartily commend the step taken by our last General Conference in establishing a chair of Religious Pedagogy and Sunday Schools in Vanderbilt University, and recommend that when possible Sunday Schools send one or more of their liveliest members to be trained for Sunday School work.

We also recommend that district and circuit institutes be held and prominence in every way be given to this greatest of all church training.

Reports show a decrease in Children's Day collections, there being reported only \$175.74. After paying to the boards of education their prorata share \$35.20, and supplying needy schools and paying incidental expenses there remains in the hands of your board \$64.40.

We are glad to note an increase of more than 2,000 scholars in our schools during the year. We should be grateful for the fact that the children are being converted and brought into the church.

This being the close of the quadrennial perhaps the present members of this board will retire and others will take their places. We have done what we could and we are thankful for the co-operation of the brethren and pray God's blessing on the new board and the great work that will be committed to their care.

Respectfully submitted,

H. M. BRUCE, Ch'm.

J. W. WHITE, Sec'y.

### REPORT OF THE COMMITTEE ON DISTRICT CONFERENCE JOURNALS.

To the Bishop and Members of the Little Rock Annual Conference:

Your committee appointed to examine and report on the records of the District Conferences for the past year, begs leave to report as follows:

The journals of the Camden, Little Rock, Arkadelphia and Prescott District Conferences were not before your committee. The request was made publicly on two different occasions on the floor of the Conference for these journals to be handed to the committee for examination, but the request has been unheeded. The committee has been informed, though, that the journal for the Prescott District Conference has been permanently lost.

The journal of the Monticello District Conference, aside from some blurs and erasures, has been very well kept.

The journal of Pine Bluff District Conference is without marginal references. It has, also, too much waste space just to the right of the

marginal line, and is overcrowded in places on the right edges; otherwise it has been well kept.

The journal of the Texarkana District Conference has been neatly kept, and in plain, legible handwriting. The only criticism to be made to it is that it is not signed by the Presiding Elder and the Secretary at the proper place, these signatures being at the end of the supplement instead of at the end of the adjourning order.

Respectfully submitted,  
T. B. MORTON, Secretary.

### REPORT OF THE COMMITTEE ON EPWORTH LEAGUES.

We are pleased to report that the number of Epworth Leagues has increased from 73 to 86, with a membership increased from 2472 to 3006. There is a noticeable increase in the efficiency of the organized Leagues. The annual meeting this year has resulted in securing \$600.00 for Palmer Institute.

We recommend the organization of missionary study classes.

We recommend the circulation of the Epworth Era as essential to success in League work.

We also call the attention of the members of the Conference to the annual meeting of the Epworth Leagues to be held in the bounds of the Conference next Spring.

Respectfully,  
J. M. WORKMAN, Pres.  
T. O. OWEN, Sec'y.

### BIBLE SOCIETY BOARD.

The American Bible Society at the beginning of this year was so greatly in debt that its work was seriously hampered. Its obligations exceeded Seventy-five Thousand Dollars, and as the Society is altogether dependent on voluntary contributions, there seemed a strong probability that its usefulness would be seriously crippled, and possibly come to an end. In answer to appeals made there was a liberal response and the indebtedness is almost paid off. It is hoped that the Society will begin the new year practically without debts. All lovers of the Bible and those in sympathy with its general distributions must understand that it will need, not only their prayers, but their money for the new year. Since the establishment of the Society in 1811 it has issued and distributed over seventy-six million copies of the whole Bible or parts. It has furnished the Missionaries of every church with the scriptures to furnish free of charge, and has proven itself as absolutely necessary to all the churches. It is to be hoped that the Little Rock Conference will do more for the Society next year than it ever has. Let the Pastors remember that the Conference has voted that every preacher in the church shall preach at least once a year to his people upon the importance of the circulation and study of the Bible, and take a collection for the American Bible Society. We rejoice to report a small increase in the contributions to the Society over last year.

Respectfully submitted,  
GEO. THORNBURGH, Pres.  
J. H. McKELVEY, Sec'y.

## REPORT OF TEMPERANCE COMMITTEE

The Committee on Temperance respectfully submit that we have duly considered the report of the Inter-Church Temperance Federation and recommend that this Conference thank the Federation for its splendid work in behalf of Temperance in the last campaign. We congratulate the good people of Arkansas upon the result of the vote upon the question of license which shows that eleven counties had changed from wet to dry, and only one from dry to wet, and that the majority against license in the state had increased largely. We agree with the report of the Federation that much remains to be done in the way of law enforcement and planning for wise legislation by the General Assembly. We are glad to know that the American Anti-Saloon League has recognized the Inter-Church Temperance Federation as the Arkansas department of the National Anti-Saloon League, so that we now have a combination of the Federation united with the representation of the National Anti-Saloon League. We recommend the following;

1st—That our connection with the Inter-Church Temperance Federation be continued and that Geo. Thornburgh, A. C. Millar and H. A. Butler be chosen as our representatives on the Federation Board.

2nd—That we ask the General Assembly of Arkansas to enact a law which shall limit the number of saloons in a city to one saloon for each one thousand inhabitants. And that no saloon be allowed in a town of less than one thousand population.

3rd—That we ask the General Assembly to enact a law which shall require that before a license for a saloon can be granted in a city or town, a majority of those living in the block in which the saloon is to be located and those in the four blocks immediately surrounding, must petition for the opening of such saloon.

4th—That we ask the General Assembly to enact a law which shall provide for petitioning in favor of liquor, instead requiring a petition against such sale.

5th.—That the Inter-Church Temperance Federation be requested to consult with the friends of temperance in the legislature and others, and if in their judgment it is thought wise to ask the coming legislature to enact a law providing that whenever a majority vote in the state is against the sale of liquor that the sale thereof be prohibited throughout the state, then do so.

6th—That our United States Senators and Congressmen be requested to oppose the reenactment of the Army Canteen Law.

7th—Without any disposition or attempt to dictate to others what their habits should be, we express the earnest hope that our young preachers coming into the conference will not form the tobacco habit. And that if they have already begun the use of it that, for the sake of the mothers who are trying to fortify their boys against the cigarette and cigar, they discontinue the habit.

**BOARD OF EDUCATION.**

**Report No. 1.**

We, the Board of Education of the Little Rock Conference, in compliance with the request of the Boards of Trustees of Hendrix and Galloway Colleges recommend that Rev. James Thomas be appointed Commissioner of Education for the above named colleges and commend him to our people who are able to give to the great cause of education.

A. TURRENTINE, Pres.

W. C. HILLARD, Sec'y.

**Report No. 2.**

To the Bishop and members of the Little Rock Conference:

Dear Brethren: The General Board of Education in its report for the current year makes the following showing: During the year 1905-06 our church schools of all grades numbers 198, there being 1 university, 21 colleges, 160 secondary schools, 11 affiliated schools, the last named being in all interests and purposes under an educational system.

The statistics are as follows: Value of grounds and buildings, \$9,789,728. Increase over last year, \$1,551,729. New buildings erected 54. Increase over last year, 22. Cost of new buildings, \$812,074. Increase \$377,516. Total endowment, \$3,516,173. Increase \$115,711. Total increase, \$1,768,108. Increase \$680,993. Value of gifts and legacies \$557,541. Increase \$266,168. Total number of students, 34,446 Increase 5,368. This is indeed a very gratifying report and shows that our people are waking up to the supreme need and importance of education. And thus it should be with this great blessing to mankind. New buildings increase in all departments of our great and growing system.

We commend most heartily the work of the Correspondence School and urge all our young preachers and under-graduates to take advantage of this excellent offer.

Hendrix College—We are much pleased with the progress and prospects of this important institution. Enrollment for the last scholastic year, was 206, and for the present session thus far, 176.

We recommend that Rev. R. W. McKay and P. D. English be elected to succeed themselves as Trustees, and J. F. Giles and J. A. Buchanan, Revs. James Thomas and Forney Hutchinson be added to the Board of Trustees.

Galloway College—We are gratified to find that every room in this great college is occupied, having in all 300 pupils. The work done there is of high grade and the teachers are full of enthusiasm and loyal to the school. The religious influence and moral tone are excellent. Sunday School, Missionary society, Epworth League, etc., are running in good order, and doing much good. The financial condition is improving and only about five thousand dollars are now needed to clear this institution from all indebtedness.

Henderson College—The report of the trustees of this magnificent institution shows very gratifying results. Enrollment is 216, 94 boys and 122 girls. They had a glorious revival in the college recently, resulting in many conversions and toning up of moral and religious life among the student body.

We call especial attention to one fact concerning the work of this school is that 32 minister's children and 6 young ministers are beneficiaries. Should we not take notice of this feature of their noble and unselfish work?

The value is given at \$80,500.

We recommend that C. C. Hendercon, W. F. Evans, H. J. McKinnon, J. H. Hinemon, W. K. Ramsey to succeed themselves, and T. D. Scott to fill the vacancy caused by the transfer of Rev. Lewis Powell on Board of Trustees.

**Stuttgart Training School**—This school has the largest enrollment in its history. There are six teachers, four in the literary department and six in the music department. They are capable and loyal. Beside the regular work the study of the Bible is carried on. It has one of the best libraries in the state, valued at \$3600. The value of this school is something like \$20,000. About \$500 has been spent in improvements during the year. Bright prospects for the future.

**Fordyce Training School**—This school is in the midst of a most prosperous year. Within the last two years an elegant building valued at \$12,000 has been erected and furnished throughout with school furniture. Enrollment 138, of which about one-fourth are boarders. Daily attendance more than 130. An excellent school spirit, full of co-operation of parents and splendid work by teachers and pupils. The school has bright prospects for the future.

We recommend, (1) That the Trustees be authorized to change the name of the Fordyce Training School. (2) That R. P. Graham, S. W. Hlgginborton, G. M. Hampton, A. B. Banks, T. B. Morton, W. A. Elliott, the pastor in charge of Fordyce Station, the Presiding Elders of Camden, Pine Bluff and Monficcello Districts, W. J. Bunn, and Dr. F. E. Harrison be added to the Board.

We recommend that the Presidents and Principals of all of our Colleges and Schools have their reports in the hands of the Board of Education on the first day of the Conference session. These reports to give the statistics of scholastic year ending next preceding the session of the Conference.

We request the Bishop to appoint R. R. Moore Conference Secretary of Education.

We recommend that \$2,000 be assessed upon the Conference for Education.

We recommend the adoption of the following:

Whereas, (1) we have learned that the trustees of Hendrix College have leased the Mena Hendrix Academy for ninety-nine years; with privileges of renewing lease for a similar period;

Whereas, (2) citizens of Mena, claiming that the church has forfeited her rights, have brought suit in Chancery Court, asking that the lease be set aside and property be turned over to them;

Whereas, (3) R. R. Moore, Conference Secretary of Education, for and in behalf of the Conference, has intervened, praying the Court to set aside the lease and place the Academy property under the control of trustees to be appointed by this Conference; and,

Whereas, (4) in the original compact with the donors of the property, it was distinctly provided that "In case it should be necessary for any reason to separate the College and the Academy, the Academy shall be held for the above purposes by the trustees appointed by the Annual Conference of the Methodist Episcopal Church, South, in which such Academy is situated;" (In this case the Little Rock Conference);

Therefore be it resolved, (1) That we disapprove of the action of the Hendrix trustees in practically alienating the Academy property from the control of the church. (2) That we approve of the steps taken by Rev. R. R. Moore to maintain the rights of the Conference in the premises; (3) That we authorize him or his successor in the office of Secretary of Education of Little Rock Annual Conference to secure legal assistance and contend for our legal rights; (4) That we set apart \$250,

or so much thereof as may be necessary of the educational collections of next year to be used in paying expenses of counsel and legal process; (5) That we appoint C. A. Smith, W. E. Anderson, G. L. Lockeridge, J. W. Gardner, Geo. H. Cannon, J. L. DeLoney, T. B. Cook, trustees to hold the property if turned over to the Conference by order of the Court, or to take whatever action may be necessary for appeal if the Court decides in favor of the citizens of Mena, or to secure the property from the Hendrix Trustees, if it falls into their hands; since we reaffirm our action of session of 1904 to the effect that "this Conference requests the Hendrix College authorities to transfer the Hendrix Academy located at Mena, to the Little Rock Conference to be used as a training school."

#### REPORT OF TRUSTEES OF METHODIST ORPHANAGE.

Dear Brethren:

We rejoice over the good report made by the Board of Trustees of the Methodist Orphanage of the work done this year by the Superintendent and wife, and the gathering in of so many orphan children and finding homes for many of them.

We recommend that J. G. Greenfield be a member of the Board of Trustees in place of Rev. J. E. Godbey, resigned.

The Board of Trustees recommend that after this year the Orphanage be maintained without a superintendent, by an assessment upon the three conferences, prorated upon the basis of the foreign mission assessment, the first to be raised during 1907, and your committee present this request to the Conference without any recommendation.

**COMMITTEE ON PUBLISHING INTERESTS.**

**REPORT NO. 1.**

To the Bishop and Members of the Little Rock Conference:

Dear Brethren: We, your committee on Publishing Interests, beg to submit the following report:

We have had under consideration the improvement and extension of the circulation of the Western Methodist. The paper is not what it should be, nor have we given it a chance to become what it should be. As the editors of the paper are here, and are in a much better position to set forth the needs of the paper and our relations than we ourselves are, therefore be it resolved,

1st—That 10 o'clock today be set aside for hearing the financial report of the editors of the paper, and that an hour or such a part thereof as may be needed, be given for the consideration of their report.

2nd—That each and every pastor in the Conference use all diligence for the securing of all moneys due the paper from subscribers the first thing when they shall have returned from Conference and gotten settled in the charges respectfully to which they may be assigned.

3rd—That the pastors of this Conference use every reasonable effort to secure one thousand five hundred new subscribers for this paper within the next thirty days.

Recognizing the important need of strengthening our Conference organ; be it resolved,

1st—That we pledge ourselves to secure 1500 new subscribers if possible during the next 60 days, and we ask the committee on books and periodicals to apportion these 1500 subscribers to the Districts on the basis of the Conference collections with the request that the pastor and presiding elder of the districts to do all they can to get the subscriptions assigned to them.

2nd—That we pledge ourselves to clear up all old accounts in our several charges as the first work after getting settled in our charges after the Conference adjourns,

**REPORT NO. 2.**

We, your Committee on Publishing Interests, have had before us the annual report of our publishing agents at Nashville, Tenn., and we note with pleasure the large net increase of \$51,506.76 in their business. "The Quarterly Review," "Christian Advocate" and "Epworth Era" which have always been of the very highest grade of our literature, are still making advancement in every respect, and are worthy of all commendation,

"Go Forward," our missionary publication at the ridiculously low price of 25 cents, should be in every home in Southern Methodism. It contains the very information our people need,

Respectfully,  
FORNEY HUTCHINSON,  
J. L. CANNON,

**REPORT NO. 3.**

We prorate the proposed 1500 new subscribers to the Western Christian Advocate agreeable to your resolution as touching the same as follows: Little Rock district, 225; Camden district, 225; Pine Bluff district, 225; Prescott district, 200; Texarkana district, 200; Arkadelphia district, 225; Monticello district, 200.

Out of this the Board voted \$10 to the Secretary, and \$5 to the Treasurer for incidental expenses, leaving in the hands of the Treasurer 17.47. An increase of 506.00 for Church Extension has been assessed to our Conference, which raised our assessment to 3175.00, and it has been apportioned to the Districts as follows:

|                           |        |                           |        |

We suggest to those who contemplate building houses of worship to get in correspondence with Mr. Frank Follenslee, Glade Spring, Virginia, Architect for Holsten Conference, who proposes to furnish the very best modern plans of church architecture and at the lowest possible cost.

#### JOINT BOARD OF FINANCE.

##### REPORT NO. I.

To the Bishop and Members of the Little Rock Annual Conference of the M. E. Church South, in session at Warren, Ark.

Dear Brethren:

We, your joint board of finance, submit this our report No. 1. We have had referred to us for adjustment, under the authority of paragraphs 339 and 342 of the Discipline, certain matters and controversies between Rev. E. M. Pipkin, Presiding Elder of the Pine Bluff District and the Board of Stewards, of Lakeside Church in the said District.

Briefly stated, the appeal or complaint of the Board of Stewards, as originally presented to this board involved the settlement both of the salary of the Presiding Elder and the general collections ordered by

the Annual Conference; but in-as-much as the authority of the Joint Board of Finance to adjust controversies concerning the general collections does not appear to be definitely fixed by the law of the church, the appellants waived the consideration of this phase of the controversy and asked only for the settlement of the dispute concerning the salary of the Presiding Elder.

After a full and patient hearing, the Board reached the following conclusion:

First—The action of the District Board of Stewards in establishing a percentage rule for fixing the assessment for the salary of the P. E. was clearly legal, and the rate established by said Board does not appear to us to be exorbitant.

Second—But in-as-much as the Official Board of Lakeside Church felt aggrieved by what appeared to them an unequal and unjust increase of the assessments against the church, both for the salary of the P. E. and the general collections; and as it was clearly shown that an agreement had been made and signed by the P. E. and the Board of Stewards whereby the said P. E. was to accept the sum of Two Hundred Dollars, in full payment of his salary from Lakeside church in consideration that further grievances were to be waived, which agreement was signed by both parties thereof in writing, and all matters in the controversy be amicably adjusted (from which agreement however, the P. E. afterwards withdrew,) it was the opinion of the Joint Board of Finance that the terms of this agreement were then, and are now, binding and that settlement shall be made accordingly.

We desire to add the appeal in this case was based on the claim that the action of the Board of District Stewards was had without due deliberation and consideration. We do not presume to say whether or not this consideration was sustained by the facts in this particular case, but in-as-much as we have heard complaints from various sections of our Conference concerning the work of the District Stewards, we venture to urge upon all future boards to take ample time to fully consider the important matters devolving upon them, and we further suggest to all our Presiding Elders that they be careful to avoid even the appearance of unduly influencing the action of the District Stewards.

Respectfully submitted,

J. A. SAGE, Chairman.

W. A. STEEL, Secretary.

### BISHOP JOHN J. TIGERT.

We your committee appointed to draft suitable resolutions on the death of Bishop Tigert, respectfully submit the following:

Whereas, God in his providence has taken from the church militant to the church triumphant Bishop John J. Tigert, and,

Whereas, the Little Rock Conference is peculiarly a sufferer in the grievous mourning that has come to our Zion; for by both official relationship, as Bishop at large, combined with tenderest, personal love and profoundest administration we suffer this peculiar loss, therefore be it resolved,

That in Bishop John J. Tigert, the Christian world loses one of its central figures, and Southern Methodism one of its greatest, most favored and best equipped servants; nevertheless we bow in humble recognition of Him that doeth all things well, commending to His care our stricken Israel of God, praying his mercies and the ministrations of His spirit and grace towards the stricken family of our deceased Bishop.

Be it further resolved, that these resolutions be spread on the Minutes of the Conference, and a copy sent with our prayers and sympathies to the family of our late beloved, Bishop John J. Tigert.

### JOHN F. CARR.

John F. Carr was born in Fayette county Tennessee, August 28, 1834, and died in Pine Bluff, Arkansas, January 21, 1906, in the seventy second year of his age, and the fifty-third of his ministry.

He was received into the church in his ninth year and in the nineteenth year of his age was licensed to preach, August 24, 1853, by the Quarterly Conference of Mt. Pleasant circuit in Drew county, Arkansas and admitted on trial in the Traveling Connection by the Arkansas Conference the following November and appointed to Pochontas circuit on the Missouri border.

His father, Rev. J. Milton Carr, one of the purest men I ever knew once told me this: "When I began to preach, I felt it was my duty to enter the Traveling connection, but being a poor man with a family to provide for I hesitated and made it a matter of earnest prayer. At last I promised the Lord, if he would release me from this obligation I would always be faithful as a local preacher, and give my oldest son to the itinerant work. I received a great blessing and and felt assured that God had accepted the covenant. And when my boy at nineteen entered the Conference, it was a demonstration that I had not misunderstood the divine impression."

There was a display of the unreserved consecration and heroic character of the youth when he left his beloved home and, with horse and saddlebags traveled the strange way though sparsely settled country across the unbridged streams some three hundred miles to his appointment and faithfully performed his work through all the lone-some year. Yet he was not alone, for God was with him. From that time on until he was superannuated in 1899, forty six years, he was an effective and efficient traveling preacher. At the time of his death his name stood at the head of the Conference roll, and he was the senior member of that body.

His was a large class of fifteen admitted together. The Conference was divided the next year. Many of the class remained in the Arkansas Conference but when the new Conference met in El Dorado in 1885 six of them were recieved into full connection. Of these three survive as members of the Little Rock Conference, heroic veterans every one who will cheerfully admit that in labors he excells them all.

In 1855-6 he was appointed to Jefferson circuit, in 1857 to Princeton circuit and in 1858 to Des Arc station. After finishing this year's work he was happily married to Miss Elizabeth M. Rhodes November 1st 1859. The Conference met the next day not far from the scene of the wedding and he was appointed to Hamburg. Thither he led his youthful bride, and in 1860 he was returned to the same charge.

During this second year the war began. The young men began to volunteer and organize for service in the army, and their parents entreated Brother Carr to go with them. It would be so much easier to see their boys march away if this young preacher so much loved and trusted by them and their children, would accompany them. So he was chosen captain of company H, 9th Ark. Infantry, and away they went to the seat of war. He was more chaplain and friend than captain. At the battle of Shiloh he was severely wounded, after which he resigned his commission and returned to look after the troubled hearts at home. While he was in the army the Conference of 1861 was held and he was again appointed to Hamburg and in 1862 to Monticello. During the next year he accompanied his wife's father refugeeing with his family and slaves to Texas. So he recieved a transfer to the Texas Conference and in 1864 was appointed to Springfield circuit. The war closed the next year. He recieved a transfer again to his old Conference and in 1865 was appointed to Lehi circuit, in 1866 to Mt. Pleasant circuit, in 1867-8 to Monticello station and in 1869-70-71 to Arkadelphia.

In 1872-3 he was Presiding Elder on the Monticello District but serious and protracted afflictions of his wife made further District work impossible, and in 1874-5-6 he was stationed in Monticello, in 1877-8-9-80 at Warren, in 1881-2-3 on Lehi circuit, in 1884-5-6-7 at Pine Bluff, in 1888-9-90-91 at Camden, in 1892-3-4-5 at Lakeside Church in Pine Bluff, and in 1896-7-8 at Riverside in the same city thus completing eleven years pastorage in Pine Bluff, as he had served five years in Monticello, four years in Warren, four in Camden, three in Arkadelphia, and three in Hamburg.

In all these places he was eminently useful and fervently loved. He won the confidence of the people as few pastors can. They told him their troubles, their faults, their fears, and sought his counsel in all things temporal and spiritual, regarded him as a father or brother, and gave him their freest and fullest confidence. In 1899 he was granted a superanuated relation. He continued to reside in Pine Bluff, and seemed ever after to be permanently the pastor of the entire city. In charge of no one church, and never coming between any pastor and his flock, he was sought unto by all people, Methodists, Baptists, Presbyterians, Episcopalians, Roman Catholics and Jews, and their universal reverence and affection, like a halo of glory, crowned his declining years.

He was no scholar, no genius, no orator, no exegate, no theologian. He practiced no arts, used no diplomacy. Sought no high places. Coveted no man's silver or gold, and envied no man his success. His steady ambition was to do good to men. He never considered what he could get out of them, but what he might do for them. He had the spirit of Christ. He sought and enjoyed fellowship with God, and fellowship

with men. He had power with God and power with men. He prevailed with God, and prevailed with men.

He had many afflictions, many sorrows, many discouragements, many limitations. He did not speak of his troubles to others, but led others to tell their troubles to him. He asked no one to carry his cares, but he was continually putting his shoulder under others burden, and giving to many sufferers a helping hand, an encouraging word, an inspiring smile, and an assurance of personal interest that won for himself a wealth of love and honor worth infinitely more than the covetous and ambitious can ever enjoy, even though success should crown all their plans.

His funeral occurred on the stormiest day of the winter. In the morning the body was taken to the First Church and lay in state from 10 a. m. to 2 p. m., and all these four hours there was a steady procession of people who, having made their way over the icy streets and through the snow filled air, passed in continuous file through the church to look once more on that loved face soon to be hidden in the tomb. They brought floral offerings in loving hands abundant as money buys for the millionaire. And during the funeral service the pastor of every congregation in the city, Preacher, Priest, and Rabbi, occupied places on the platform, doing reverent honor to the greatness and the holiness of the man.

### JOHN M. G. DOUGLASS.

John M. G. Douglass was born in Yorkville District, South Carolina, February 5th, 1843, and died in Bearden, Arkansas, February 10th, 1906, in the hope of a glorious immortality.

The family came to Arkansas in his childhood. He was converted and brought into the church in early life, and in 1866 he was licensed to preach. With him this was a definite entrance upon a life work. Having laid his hand to the plow he never looked back, never took recreation or rest, but followed the furrow steadfastly on to the gates of Glory.

He served Polk mission one or two years as a supply, and was admitted on trial in the Traveling Connection by the Little Rock Conference in 1869, and appointed to Caddo mission, in 1870 to Perryville and in 1871 to Hampton. He was married while on Hampton circuit in October, 1872, and was exceedingly fortunate in winning the wife who was a true helpmate in the subsequent thirty-three years of his ministry. She was patient, gentle, sunny, kind, uncomplaining and heroic in endurance. I do not know how he would have done his work without her.

In 1872 he was appointed to Rockport, in 1873 to Hampton for the second year, in 1874 to DeWitt and in 1875 to Wachita. In 1876 he was sent to Falcon and continued for four years, in 1880 to Hampton two years, in 1882 to ElDorado two years, in 1884 to Center Point three years, in 1887 to Locksburg three years, in 1890 to Clark two years, in 1892 to Atlanta three years, in 1895 to Emmett two years, in 1887 to Dalark one year, in 1898 to Gurdon four years, in 1893 to Mineral Springs one year, in 1904 to ElDorado two years, and in 1905 to Bearden and Thornton. He was joyfully received and entered upon his work with unusual prospect of success, but in less than three months the Master called him home.

Such was the work of our brother, serving always large circuits with laborious and fruitful ministry, in which God was glorified, sinners saved and churches edified. My soul honors the preacher of this sort. There are many men in softer places more in the public eye,

whose work measured by service rendered to God is inconspicuous compared with his. He reared a large family, six daughters and one son, giving them fairly good education with religious training that prepared them for honorable and successful life. He did this, wonderful to tell, while receiving an annual salary averaging less than four hundred dollars for the whole thirty seven years of his ministry; and more wonderful still, often serving a people many of whom thought the preacher overpaid. He did this and kept out of debt. All honor to him, and to his faithful wife and children!

He was devoutly religious, and his morals always above reproach, absolutely fleckless before the world. He preached always the old fashioned gospel which he had learned in his youth, and it was the power of God unto salvation of many souls. He studied the Bible, and little else. Of modern theology and advanced criticism he knew little and cared nothing. It was his joy, it was his boast that he was a Methodist preacher, called of God and sent forth by the church. He gloried in this as an honor greater than could be conferred by any exalted earthly station in all the world. His saddlebags were in his esteem a badge of honor more than crowns or jewels. He loved the brethren. He felt honored by their brotherhood. He did not envy their success but rejoiced in it, and detraction was a stranger to his tongue.

His last appointment was to Bearden and Thorton. I suppose that never in his long history did he have a more cordial reception. The people were delighted, overjoyed to have him for their preacher. But soon all was turned to grief. Early in February, himself, wife and three daughters were almost simultaneously taken with small-pox in very malignant form. One daughter, Ruby, a sweet girl of seventeen, died while the father was unable to wait on her. Brother Douglas passed away a few days later. No preacher could enter the home. No religious service could be held either in the house or at the grave. No friends could visit them—no one save a few immune strangers and nurses, who with the devoted physician, did all that could be required. The neighbors talked with them over the 'phone, and in the same way the family, from time to time, assured the presiding elder that the people of Bearden were providing for them everything that was possible.

Not one murmuring word came over the wire from that sorely afflicted household. Our hearts did go out to them all the more. We know that Jesus was with His servant in his dying hour. Heavenly messengers were watching in that home, angels comforting the hearts of sorrowing widow and orphaned daughters. And He whose word is faithful, will keep them evermore.

### MRS. HUSBANDS.

The subject of this sketch, Sister Husband, was born in Huntsville, Alabama, Sept. 21st, 1826. Was married to Dr. Husband Sept. 1st, 1847, and died at Arkadelphia, Arkansas, March 1st, 1906. She leaves two sons and two daughters, who with their families live in Arkadelphia. Three children died.

Sister Husband lived an exemplary christian life, and in the early days of Methodism in Arkansas, proved herself a true friend and kind helper to many a preacher who needed help. Though in later years afflicted with deafness, she was active in body and mind and loved the church.
